

Wyoming School Boards Association

Mission

The mission of the Wyoming School Boards Association is **to advocate for the highest levels of student achievement for all students** by providing visionary leadership and high-quality services to school districts.

Goals 2012-2016

1. Advocate for quality schools and high achievement for all students

Assist districts to develop leadership for improved student achievement for all students.

Provide training that supports behaviors that lead to improved student achievement for all students.

Prioritize resource allocations that promote high achievement for all students.

Support public policies that promote high achievement for all students.

2. Advocate for local control of schools and schooling

Be Proactive- advocate for control of the variables that promote improved student achievement and a quality education for all students.

Advocate for students and families to be involved in their education.

Build a coalition of educational entities.
